Case No: 17-cv-3440-DMR

29 **STIPULATION AND ORDER
REGARDING DEADLINE TO
SUPPLEMENT INFRINGEMENT AND
INVALIDITY CONTENTIONS**

Case No. 17-cv-03440-DMR

30 STIPULATION AND ORDER REGARDING DEADLINE TO SUPPLEMENT INFRINGEMENT AND INVALIDITY
CONTENTIONS

Pursuant to Civil Local Rules 6-2 and 7-12, the parties, by and through their Counsel, hereby stipulate to extend the deadline to supplement their respective Infringement and Invalidity Contentions to December 18, 2020. Pursuant to the deadlines set forth in the Case Management Order (Dkt. 48), the parties exchanged Infringement Contentions on May 15, 2019, and Invalidity Contentions on July 1, 2019. The parties seek to further supplement their respective Infringement and Invalidity Contentions in order to accommodate the production of additional documentation and source code. The parties agree to limit their supplemental contentions to additional evidence and citations, and the parties will not be presenting new theories.

The parties have previously stipulated to extend the deadline for Hamamatsu Corporation and Photonics Management System to respond to the Complaint by 90 days, and to further extend the deadline by four weeks the time for Defendants to respond to the Complaint. The parties later stipulated to extend the deadline by one week for Defendants to answer the Complaint after the Court's denial of the motion to dismiss. The parties stipulated to extend by one week the time for Plaintiff to file its reply brief in support of its claim construction positions. The parties also stipulated to moving the deadlines for completing discovery and filing dispositive motions. The parties have not made any other requested extensions and this stipulation affects only those recited that have been set by the Court.

IT IS SO STIPULATED, THROUGH COUNSEL OF RECORD.

Respectfully submitted,

By: /s/ David Eiseman
